It's An Experiment.

It's rather more profitable to treat three
persons at five dollars per month each
than one at \$10.

But can I get 3 times as many at \$5?
There's the rub! I am going to risk it
for one month, anyway. I have been
charging heretofore \$10.00 per month for
treating Catarrh, but to test the matter
I will treat anyone who begins my treat-
ment before December 1 for five dollars
per month, including medicines, and will
continue the treatment at that rate until
cured. But this rate does not apply to
cases of Asthma, Consumption, Deafness
or Surgical Operations. It does apply to
all other cases. Whether I continue this
rate beyond this month or not depends
on the number of new patients it brings
me. But in any event, those who begin
under this offer will be treated at this
rate until cured. Remember that my
treatment for Catarrh is mild and pain-
less, but wonderfully effective.

A DAY WITH THE COURTS

One Citizen Enters Suit Against Another for Malicious Prosecution

AN INJUNCTION GRANTED

**Property Transfers Admitted to Re-
cord—Nelson Keeper in the Tolle-
Minor Police Court Cases—In the
U. S. District Court a Jury Dis-
agrees—A Case Nolle Prosequi—
Two Petitions in Bankruptcy
Filed.**

C. L. Curley, a boiler-maker, brought
suit in the Court of Law and Chancery
yesterday against W. R. Matthews to
recover \$2,500 damages for malicious
prosecution. Curley is represented by
R. Randolph Hicks. The plaintiff's bill
has not been filed, but it was learned
that the suit grew out of Curley hav-
ing been arrested and imprisoned last
spring on complaint of Matthews, who
charged him with stealing from Mat-
thews & Santos. The case, it seems,
was dismissed. Curley claims that his
reputation was damaged and he was
greatly humiliated because of the ar-
rest and imprisonment, which he claims
grew out of malice.

INJUNCTION GRANTED.

C. A. McCourt, through Attorney
Bruce Simmons, petitioned Judge Mar-
tin, of the Court of Law and Chancery
yesterday for an injunction restraining
R. Foster from selling or in any way
interfering with the property of the
Southern White Lead and Paint Com-
pany, and from collecting any of the
debts due the said firm, and asking the
appointment of a receiver to take
charge thereof.

Judge Martin entered a decree enjoin-
ing the defendant as per the plaintiff's
bill and appointed Captain John J.
Burroughs receiver, with instructions to
take immediate charge of all the prop-
erty of said company and to return an
inventory to the court. The receiver
gave a \$1,000 bond. The case will be
set for further hearing when the in-
ventory is returned to the court.

PROPERTY TRANSFERS.

The following deeds of bargain and
sale were admitted to record in the
clerk's office yesterday:

John Williamson to Maggie M. Har-
rison, improved lot on Poole street, At-
lantic City Ward, \$500.

Lizzie E. Bottimore to Willie A. Mar-
able, lot No. 15, Smith street, 23x68 feet;
\$1 and other valuable consideration.

Ghent Company to W. C. Cobb, lot
fronting 13 feet on east side of Colonial
avenue; \$1,144.

Trustees of the Heptasophian Classi-
fied Building Association to Edward
Spalding, lot with improvements fronting
22 feet 10 inches on the north side
of Bute street; \$920.

Mrs. J. R. Hudson to Eliza F. South-
all, lot with improvements fronting 35
feet on the east side of Smith street;
\$1,800.

William B. Meredith to C. A. Nash,
lot at northwest corner of Chapel and
White streets, fronting 50 feet on
Chapel street and 100 feet on White
street; \$1,000.

Lizzie E. Bottimore to Willie A. Mar-
able, property at the northeast corner
of Highland and Marshall avenues,
fronting 26 feet on Highland avenue;
\$600.

Jane L. Donald et als. to T. S. Gar-
nett, property at the northeast corner
of Colonial avenue and Warren Cres-
cent, Ghent, front 100.7 feet on the
north side of Warren Crescent; \$12,500.

SENT TO THE GRAND JURY.

George Simpson, a Nicholson street
saloon keeper, was sent on to the De-
cember grand jury yesterday morning
by Police Justice Tomlin on the charge
of fraudulently obtaining five barrels
of whiskey from Einstein Bros., whole-
sale liquor dealers of Cincinnati.

The charge was brought against
Simpson by Mr. P. J. Morris, local
counsel for Einstein Bros. Sometime
ago Simpson ordered the whiskey, giv-
ing a deed of trust upon his stock and
fixtures to secure payment. It is claim-
ed that he represented that there was
no lien on his stock. When the debt
became due, however, he did not pay it,
and when approached by representa-
tives of the Cincinnati firm, told them,
it is said, that he would not pay it un-
til he got ready. When the representa-
tives started to foreclose the deed of
trust it was discovered that there was
a former lien.

Prior to the criminal charge against
Simpson an action of detinue was
brought against him by Lawyer Morris
to secure the liquor. The barrels were
seized by the City Sergeant and were
found to contain only water. It is
charged that Simpson sold the liquor
to a Church street dealer named Yaffy.
After Simpson was sent on to the
grand jury yesterday, Lawyer Morris
brought civil action in the Court of
Law and Chancery, and secured a levy
on the defendant's saloon, which is con-
ducted in the name of his mother, Mrs.
E. Simpson. Mr. R. W. Shultice ap-

peared for the defence, and Mr. Morris
for the prosecution. The defendant was
bailed in the sum of \$250, with J. L.
Morris as surety.

MINOR CASES.

Annie Harris, a colored denizen of
Reid's lane, was charged with robbing
J. M. Eddy of a gold watch and ring.
Both the articles were recovered—the
watch from a Main street pawnbroker,
and the ring from the woman's finger.
She protested her innocence and said
the articles were given to her by Eddy.
A thorough examination of the case re-
sulted in a dismissal of the prisoner.

S. S. Anderson, colored, paid \$6 for
assaulting and threatening Elizabeth
Watson.

Emma Green and Ben Hester, both
colored, will be tried next Tuesday on
charges preferred against them by Hes-
ter's wife.

Mary Cooper, colored, assaulted and
threatened to kill Margaret Tinsley, al-
so colored, and was required to pay
\$3.50 for being so bad.

In the U. S. District Court yesterday
the jury, in the case of Thomas Ram-
sey, charged with illicit distilling in
Mecklenburg county, reported "no
agreement" for the third time yester-
day morning, and was discharged from
further consideration of the case. Ram-
sey's father stood surety on the \$500
required of the defendant until the May
term of court.

NOLLE PROSEQUI.

District Attorney Allan entered a
nolle prosequi in the case of R. R.
Chandler, a white man, of Mecklenburg
county, charged with secreting moon-
shine whiskey.

TWO BANKRUPTCY CASES.

J. B. and J. I. Mitchell, of Yorktown,
through Attorneys Hubbard and Gar-
nett, filed a petition in bankruptcy in
the United States Court yesterday.
Their liabilities are \$3,542.10; assets, \$2-
012.94.

W. H. Stewart, of Newport News,
through their counsel, A. C. Peachy, al-
so filed a petition. Liabilities, \$5,822.66;
assets, \$175.

Both cases were referred to Referee
John B. Locke, of Newport News.

BIG DAMAGES ASKED.

The trial of the unlawful trespass
suit of Oscar Young, of Newport News,
against the Baltimore, Chesapeake and
Richmond Steamboat Company, was
begun in the United States Court yester-
day afternoon. The plaintiff came
from Baltimore to Old Point with his
family on one of the defendant com-
pany's tugsamers in 1898, and claiming
to have certain baggage misappropriated
set up a claim for damages. The steamboat
company, believing that the baggage
claimed to have been lost was in his
room at a Newport News boarding
house, sent agents to make an investi-
gation, and the agents, it is claimed,
forcibly entered Young's room. For this
the plaintiff asks \$9,000 damages. The
lawyers are J. L. Hudson, of Newport
News, for the plaintiff, and W. L.
Williams, of Norfolk, and R. C. Fos-
ter, of Baltimore, for the steamboat
company. Young brought suit in the
Court of Law and Chancery, this city,
for the loss of his baggage, and recov-
ered \$190 damages. The unlawful tres-
pass suit was first brought in Newport
News, but at the instance of the de-
fendant company it was removed to the
United States Court. Young, the plain-
tiff, was formerly of San Francisco.

ANOTHER DISAGREEMENT.

The case of Sylvia Ann Teemer, the
colored woman charged with perjury in
a pension claim, which resulted in a
mistrial at the last term of the United
States Court, was resumed last night.
The jury disagreed, and having infor-
med the court that there was no possi-
bility of reaching an agreement, was dis-
charged.

GREATER NORFOLK.

**A PROJECT ON FOOT TO ENLARGE
THE CITY LIMITS.**

A project was started in this city
about a week ago to push a movement
looking to the extension of the limits
of the city of Norfolk. It is proposed
to take in Huntersville, Park Place,
Lambert's Point, and perhaps other
territory.

The idea of taking in Huntersville,
for sanitary reasons, was discussed
considerably several months ago dur-
ing the recent fever scare. The un-
sanitary condition of that suburb was
found to be such as to call for action
on the part of the Norfolk health
authorities.

Mayor Johnston and other parties
have the matter under consideration,
and it is likely a bill will be intro-
duced at the next meeting of the Leg-
islature to extend the city limits.

Second Concert Tonight.

The sacred concert in the Y. M. C. A.
star course of entertainments will be
given to-night by the Louise Brehany
Ballad and Opera Company. Miss
Brehany and her company came to
Norfolk with recommendations from
high sources, and a very enjoyable
evening of music and song may be ex-
pected.

RAILROAD GOSSIP

The Mooted Question of Removing Seaboard Air Line Headquarters.

**It Has Never Been Officially Consid-
ered—S. A. L. Extension from Aus-
gusta to Charleston—in Need of
Supplies.**

The question of the removal of the
general offices and shops of the Sea-
board Air Line from Portsmouth to
Richmond is again being discussed, but
President John Skelton Williams stated
yesterday in Richmond that the matter
has never been officially considered. He
has repeatedly made this statement.

S. A. L. EXTENSION.

Mr. John Skelton Williams, president
of the Seaboard, said yesterday that
the proposed line from Augusta to
Charleston was under consideration.
He, however, stated that no definite
action regarding the building of the line
had as yet been taken.

At the meeting of the stockholders,
held Tuesday in Portsmouth, routine
business alone was considered. The
question of the removal of the Sea-
board Air Line general offices to Rich-
mond was not brought up.

TRACK INSPECTION.

The annual track inspection of the
Chesapeake and Ohio railway is now
being made by Engineer Maintenance
of Way P. I. Cabell, Eastern Division,
and Engineer Maintenance of Way H.
Pierce, Western Division, and a corps
of assistants. Yesterday the line be-
tween Richmond and Clifton Forge was
gone over.

WANT THE SUPPLIES.

Chief Engineer Seymour, of the Rich-
mond, Petersburg and Carolina, has re-
turned from a trip North, the object
of which was to hurry up the iron and
steel work for the bridges over the
Meherrin, James and Appomattox
rivers. The bridge over the Roanoke
is practically completed. Part of the
material will be shipped at once and
the remainder as soon as the mills can
turn it out.

A BATTLE ROYAL.

Railway and express men are greatly
interested in the attempt which the
Louisville and Nashville will make to
cut loose from the old express com-
panies and establish a forwarding busi-
ness of its own. It is officially an-
nounced that this will be done.

It is going to be a battle royal. It is
said that President Robert Garrett, of
the Baltimore and Ohio, broke down
his road by opposing the express com-
panies, Pullman's, and the Western
Union. Even the old-fashioned New
Haven road has had to give up its
private sleepers and take stock in the
Pullmans. It is pointed out that the
Louisville and Nashville will have to
fight the Adams Express Company,
with \$12,000,000; the American, with
\$18,000,000; the United States, with \$10-
000,000; Wells, Fargo & Co., with
\$8,000,000. If the fight is a long one
everybody will be surprised. Neither
would it seem to be doubtful.

INCREASED EQUIPMENT.

The railroad companies continue to
give orders for new equipment. It is an-
nounced that on Friday of last week
the following orders for locomotives
and cars were placed: New York Cen-
tral, 40 locomotives; Erie, 1,000 coal
cars; Georgia and Alabama, 4,000
freight cars; the Reading Company,
cars, locomotives and equipment at a
cost of \$4,000,000; Great Northern, 40 lo-
comotives; Minneapolis and St. Louis,
10 locomotives; Northern Pacific, 15 en-
gines and 20 coaches; Baltimore and
Ohio, 12 freight engines; Hocking Val-
ley, 1,000 box cars; Chicago and Afton,
500 steel gondola cars; Wheeling and
Lake Erie, 3 parlor cars and 9 coaches;
Mobile and Ohio, 1,000 box cars; Cleve-
land, Lorain and Wheeling, 500 coal
cars and 100 box cars; and Chicago
and Eastern Illinois, 500 box cars.

Experience teaches that
good clothes wear longest,
good food gives best nutrition,
